**Shri Praveen P. Kadle** needs no introduction to the bhanap community. Besides being the President of the Standing Committee of Shri Chitrapur Math & Kanara Saraswat Association, he has several accolades to his account. With about 4-decades of experience in Indian industry, holding key positions in leading corporates, we are sure that his presentation **INDIA:COVID & POST COVID** will give us all an insight into our economy in the near future.

This event is brought to you under the aegis of **THE KANARA SARASWAT ASSOCIATION - CHITRAPUR SARASWAT NETWORK (KSA-CSN)** initiative
